Weekly Buzz

Welcome to the two new authors of the Weekly Buzz!

Reception class have completed their first full week so well done to them (and the teachers!) Year 6 started their swimming lessons and next week girls and boys football clubs start after school. Lunch time chess club will be starting again soon.

Year 6 were introduced to Book Fest this week which was very interesting. A big well done to all those in Year 6 who lead the Liturgical Prayer on Thursday, the readings were excellent.

Congratulations to all our children who demonstrated the value of being inquisitive this week. Next week we will be focussing on being responsible.

A reminder to bring your coats now the weather is getting cooler and please bring healthy snacks to eat at break time.

Emily & Rory

Reminders

Tuesday 19th is school photograph day. Please ensure ALL children are in school uniform.

Friday 22nd is our rescheduled Summer Fair. Children may wear their own clothes to school on Friday.

There is NO FUN CLUB on Tuesday or Friday this week. Please collect your child at 3.20pm.

Please encourage your child to bring healthy snacks such as fruit or vegetables to eat at break time. No nuts or Nutella etc as we are a nut free school.

Please ensure children are in correct uniform and PE kit as per our uniform list.

There is information and support available in the new Mental Health and SEN area of the school website.

Catholic Life

Lord God

Creator of the world and all life. We come before you as we begin a new school year, looking forward with hope and trusting always in your goodness.

May we be open to the many possibilities that this year will bring in the story of our life and in the company of others. Bless our school community, bless our families. Stay with us, Lord, on our journey.

Amen

Celebration Assembly –Inquisitive

<p>Reception Isaac</p>	<p>Our first certificate goes to Isaac for being inquisitive about the ‘Magic Porridge Pot’ and asking lots of questions. Well done.</p>
<p>Year 1 Lucas</p>	<p>Our first Star Value has been awarded to Lucas! Since Lucas joined Year 1, I have noticed how engaged he is in his learning. He is eager to find out more about whatever we have been learning about. He asks questions and makes sure he is always ready to learn so that he doesn’t miss anything. Well done Lucas, I am enjoying seeing how keen you are!</p>
<p>Year 2 Amelia</p>	<p>Amelia has been inquisitive this week, she has been asking questions in class but also answering questions to demonstrate her learning. She is hard working and takes on board advice to improve further. Well done Amelia, keep up the good work.</p>
<p>Year 3 Noah H</p>	<p>Noah has settled in year 3 well and adapting to our class routines. Noah has been very inquisitive and is always asking questions to further his learning. Well done Noah. This will help develop your learning in year 3, just ensure the questions are relevant to the topic being discussed.</p>
<p>Year 4 Thomas</p>	<p>Our inquisitive certificate this week goes to Thomas. It was great to see Thomas using questions throughout Science to deepen his understanding. He used his new found knowledge within his work and it was great to see. Well done Thomas, keep it up!</p>
<p>Year 5 Barnaby</p>	<p>Barnaby has demonstrated the value of being inquisitive this week in Year 5. He contributed deeply into our discussions about theological and scientific beliefs—asked probing questions about whether people could have differing beliefs such as believing in both truths. I was impressed with the mature way he approached the topic and showed genuine interest and understanding that people are entitled to their own beliefs.</p>
<p>Year 6 Issac R</p>	<p>He has come back to school with an inquisitive mind. We were particularly impressed when we had a visitor this week introducing this years Book Fest. Issac had many questions for them and it was obvious to us that he wanted to learn more. Well done Issac.</p>
